How to Get Started with Essential Oils

### Wholesale Account

This is the best way to get started, and its an option through the company which I order my oils, doTERRA. They are a company committed to the best sourcing around the globe and creating relationships with the growers, while ensuring we are receiving oils that have no trace of chemical contamination, weeds, fillers, or pesticides.

A wholesale membership is the way to go, whether your brand new to oils or an experienced user. Enrolling with an enrolment kit such as the ones [HERE](#) or [HERE](#) will give you a great start to your wellness journey.

Benefits to a wholesale membership

- **NO** monthly order requirement or obligations, promise!
- The option to take part in the **Loyalty Rewards Program** which earns you an even deeper discount (as if 25% off wasn't good enough!), as well as the the ability to earn product points based off your purchases, *hello free products!*

Wholesale Membership Sign up Steps

1. Join my team by clicking [HERE](#) and you will pay a one time fee of \$42 CDN by purchasing an Introductory Essential Oil Packet upon check out OR you can choose an [Enrollment Kit](#) and your \$42 fee is waived.
2. After you click to join my team, select **JOIN AND SAVE** and you will be able to select your country.
3. Next you select where you want your first order to ship from, **Canada** or **USA**. (Currently Canada does not have the all of the products available, but this is in the works).
4. Next you have the option to select how you would like to purchase products, **Wholesale Customer** or **Wellness Advocate**. Unless you're truly interested in getting a business started, I recommend everyone start as a **Wholesale Customer**, this can be upgraded (free) at anytime, and the same savings apply to both options.
5. **Fill out your details** including name, address, billing address, shipping address, and remaining info. The "Enroller ID" and "Sponsor ID" should be filled in automatically but if not, enter **2947351** in both boxes so I can be sure to support you.
6. **Set up your initial order**, select the Introductory Essential Oil Packet plus any additional products you want by typing in the names of the oils or products. OR, select an Enrolment Kit.
7. Consider setting up your **OPTIONAL Loyalty Rewards** Template. This is where you can save SO much money, and earn so much back in free products. This is one of the best opportunities, and after you fall in love with your oils, like me, you'll be thankful to have such an awesome rewards program available. I'm earning 30% of my order every single month back in product credit which means I get a lot of free products of my choice!!

Thats it, pretty simple! So if you're ready to get started today, you can click the button below and follow the instructions above.
